

Flood Protection Advice for Residential Tenants

Date: [Insert Date]

Dear [Tenant's Name],

We hope this message finds you well. As you are likely aware, the recent weather patterns have raised concerns about potential flooding in our area. To ensure your safety and to help you protect your belongings, we have compiled some important flood protection advice for you as a residential tenant.

1. Stay Informed

Keep an eye on local weather forecasts and alerts. Sign up for emergency notifications through your local government or weather service.

2. Prepare an Emergency Kit

Gather essentials such as water, non-perishable food, flashlights, batteries, and a first aid kit. Keep these items in an easily accessible place.

3. Elevate Important Items

If possible, move valuable items and electronics to higher levels in your home, such as upper floors or shelves, to protect them from potential floodwaters.

4. Know Your Evacuation Routes

Familiarize yourself with exit routes from your building and know where the nearest emergency shelters are located.

5. Document Your Belongings

Take photos or videos of your belongings and documents for insurance purposes, in case of flood damage.

Please feel free to reach out to us if you have any questions or require further assistance. Your safety is our priority.

Sincerely,

[Your Name]
