

Important Safety Protocols During a Flood

Dear Renters,

In light of recent weather forecasts indicating potential flooding in our area, we want to ensure the safety and well-being of all residents. Please review the following safety protocols:

Before the Flood

- Stay informed by monitoring local news and weather updates.
- Prepare an emergency kit with essentials such as water, food, medications, and important documents.
- Know your evacuation routes and plan ahead for safe transportation.

During the Flood

- Remain indoors, away from windows and doors.
- If flooding occurs, move to higher ground or the upper floors of the building.
- Do not attempt to wade through floodwaters; contact emergency services if needed.

After the Flood

- Wait for official information before returning to your home.
- Check for structural damage and report any issues immediately.
- Be cautious of contaminated water and wear protective gear if cleanup is necessary.

If you have any questions or need assistance, please do not hesitate to contact the property management office.

Stay safe,

Your Property Management Team
