

Tenant Lobby Decor Policies

Dear Tenants,

We are excited to foster a welcoming and aesthetically pleasing environment in our building's lobby. To ensure a cohesive look and maintain the safety and security of all tenants, we have established the following decor policies:

1. Approval Required

All decorative items must receive prior approval from the management. Please submit your decor ideas for consideration.

2. Seasonal Decorations

Seasonal decorations are welcome, but must be removed promptly after the season ends. Decorations should be tasteful and reflect seasonal themes.

3. Safety First

All decor must comply with fire safety regulations. Items such as candles and electronic decorations are not permitted.

4. Respectful and Inclusive

All decorations should promote a respectful and inclusive atmosphere. Avoid items that may be considered offensive or controversial.

5. Maintenance of Cleanliness

Tenants are responsible for the upkeep of their decorations. Please ensure that items are clean and organized at all times.

Thank you for your cooperation in keeping our lobby a beautiful place for all!

Sincerely,
Management Team
