

Attention Residents!

We are excited to announce a new Recycling Rewards and Incentives Program!

To encourage sustainable living and proper waste management, we will be offering the following rewards:

- **Monthly Raffle:** Enter for a chance to win gift cards for every 10 pounds of recyclables.
- **Quarterly Rewards:** Residents who recycle regularly will qualify for special discounts on rent.
- **Community Clean-Up Days:** Participate and earn additional rewards for your efforts!

We believe that together we can make a positive impact on our environment. Let's start recycling and enjoy the benefits!
