

# Welcome to the Tenant Composting Service Program!

Dear Residents,

We are excited to introduce our new Composting Service Program designed to promote sustainable waste management in our community.

## Program Details:

- **Start Date:** January 15, 2024
- **Location:** Main Recycling Area
- **Composting Schedule:** Every Tuesday and Thursday
- **Accepted Materials:** Fruit and vegetable scraps, coffee grounds, eggshells, yard waste.
- **Additional Information:** Please avoid adding dairy, meat, or processed foods.

## How to Participate:

1. Sign up for the program at the leasing office.
2. Receive a compost bin to use in your apartment.
3. Bring your compost materials to the collection bin on scheduled days.

Thank you for helping us create a greener community! If you have any questions, please contact the property manager at (123) 456-7890 or email us at [info@community.com](mailto:info@community.com).

Sincerely,  
The Management Team
