

# Rules for Shared Grill Access

Dear Tenants,

As we continue to enjoy our community amenities, we would like to establish some guidelines for the shared grill to ensure everyone has a pleasant experience. Please read and adhere to the following rules:

## Grill Access Rules

1. **Reservation Required:** Please sign up for grill time on the communal calendar located in the lobby.
2. **Cleaning:** After use, all tenants must clean the grill, including removing any food residues and disposing of waste in designated bins.
3. **Grill Hours:** The grill is available for use from 10 AM to 10 PM daily.
4. **Safety First:** Always keep a fire extinguisher nearby when grilling and never leave the grill unattended.
5. **Respect Others:** Limit your grilling time to 2 hours to allow others to use the grill as well.
6. **No Glass:** Please do not bring glass containers to the grilling area for safety reasons.

We appreciate your cooperation in following these rules to maintain a friendly and enjoyable environment for all tenants.

Thank you,

The Management Team
