

# Grill Usage Safety Protocols

Dear Tenants,

We hope you enjoy the outdoor grilling facilities available in our community. To ensure the safety of all residents, please adhere to the following protocols when using the grill:

1. **Location:** Use the grill only in designated areas.
2. **Supervision:** Never leave the grill unattended while in use.
3. **Flammable Materials:** Keep flammable materials away from the grill.
4. **Cleaning:** Clean the grill after use to prevent fire hazards.
5. **Emergency Procedures:** Familiarize yourself with emergency procedures in case of fire.

Failure to follow these protocols may result in loss of grilling privileges. Thank you for your cooperation and enjoy your grilling experience!

Sincerely,  
Your Management Team
