

# Communal Grill Safety Reminders

Dear Residents,

As we approach the grilling season, we would like to remind everyone of the important safety guidelines to ensure a safe and enjoyable experience at our communal grill area.

## Safety Guidelines:

1. Always supervise your grill when it is in use.
2. Ensure the grill is set up away from flammable materials.
3. Keep a fire extinguisher or a bucket of water/sand nearby.
4. Use long-handled tools to avoid burns.
5. Clean the grill after each use to prevent fire hazards.
6. Dispose of charcoal and ashes properly; let them cool completely before disposal.
7. In case of an emergency, call 911 immediately.

Thank you for helping us maintain a safe environment for all residents. Happy grilling!

Sincerely,  
The Management Team
