

# Tenant Recommendation for Side Entrance Improvements

Date: [Insert Date]

To: [Landlord/Property Manager's Name]

Address: [Landlord/Property Management Company Address]

Dear [Landlord/Property Manager's Name],

I hope this message finds you well. I am writing to express my thoughts and recommendations regarding potential improvements to the side entrance of our property located at [Property Address].

As a tenant at this property, I believe that enhancing the side entrance could greatly improve both functionality and safety. The current condition of the entrance [briefly describe the current state, e.g., "lacks proper lighting" or "has uneven steps"] and these improvements would not only benefit the tenants but also enhance the overall appeal of the property.

Some specific enhancements I would like to suggest include:

- Adding adequate lighting for better visibility during evening hours.
- Repairing or replacing any damaged steps to prevent accidents.
- Installing handrails for added support and safety.
- Landscaping the area to create a more welcoming entrance.

Implementing these changes would significantly enhance the safety, accessibility, and appeal of the property, ultimately benefiting both the tenants and the value of the property.

I appreciate your attention to these suggestions and would be happy to discuss them further at your convenience.

Thank you for considering these recommendations.

Sincerely,

[Your Name]
