

Authorization Letter for Installation of Personal Electric Vehicle Chargers

Date: [Insert Date]

To Whom It May Concern,

This letter serves as authorization for [Tenant's Name], residing at [Tenant's Address], to install a personal electric vehicle (EV) charger at the property mentioned above.

As the property owner/landlord, I acknowledge and approve the installation of the EV charger, adhering to all applicable local regulations and guidelines. The tenant is responsible for the installation, maintenance, and any associated costs.

Please ensure that the installation is conducted by a licensed electrician and complies with all safety standards.

If there are any questions or further documentation required, please feel free to contact me at [Your Phone Number] or [Your Email Address].

Sincerely,

[Your Name]

[Your Title, if applicable]
