

Inquiry Regarding Electric Vehicle Charging Costs for Renters

Dear [Landlord/Property Manager's Name],

I hope this message finds you well. My name is [Your Name], and I am a tenant at [Your Address]. I am writing to inquire about the electric vehicle charging options available for residents in our building.

Specifically, I would like to know:

- Are there any electric vehicle charging stations available on the property?
- If so, what are the associated costs for using these charging stations?
- Are there any plans to install additional charging stations in the near future?

As an electric vehicle owner, having access to affordable charging options is important to me, and I would appreciate your assistance in providing this information.

Thank you for your attention to this matter, and I look forward to your prompt response.

Sincerely,
[Your Name]
