

Request for Electric Vehicle Charging Installation

Date: [Insert Date]

To: [Landlord/Property Manager's Name]

[Property Management Company Name]

[Property Address]

Dear [Landlord/Property Manager's Name],

I hope this message finds you well. I am writing on behalf of myself and other tenants at [Property Address] to formally request the installation of electric vehicle (EV) charging stations in our parking area.

As the demand for electric vehicles continues to grow, it is important for our community to provide adequate charging options for residents. The installation of EV charging stations would not only accommodate electric vehicle owners but could also increase property value and appeal to potential future tenants.

We kindly ask you to consider this request and look into the feasibility of installing charging stations. We are willing to work together to discuss any possible options, including potential costs and the logistics of installation.

Thank you for your attention to this matter. We look forward to your positive response.

Sincerely,

[Your Name]
