

Guide to Your Digital Door Key Setup

Dear [Recipient's Name],

Welcome to the future of home security! This guide will assist you in setting up your digital door key to ensure seamless access to your property.

Step 1: Download the App

Begin by downloading the relevant application from the App Store or Google Play Store. Search for "[App Name]" and install it on your device.

Step 2: Create Your Account

Open the app and follow the prompts to create a new account. Be sure to use a strong password for your security.

Step 3: Connect Your Device

Ensure your Bluetooth is enabled and follow the instructions in the app to connect to your digital door lock.

Step 4: Program Your Key

Once connected, you can program your digital key by following the on-screen instructions. You can set access permissions and manage users.

Step 5: Test Your Key

After programming, make sure to test your digital key to verify everything is functioning correctly.
