

# Resident Feedback Request

Dear [Landscape Committee/Community Association],

I hope this message finds you well. As a resident of [Community Name/Neighborhood], I am writing to provide my feedback regarding potential enhancements to our landscape.

Firstly, I would like to express my appreciation for the maintenance and beauty of our community's grounds. However, I believe there are areas that could benefit from further enhancement. Specifically, I would suggest:

- Planting more native flowers to attract local pollinators.
- Improving seating areas with additional benches or shade structures.
- Creating walking paths that connect various community spaces.

I believe these improvements would not only beautify our environment but also enhance community engagement and pride.

Thank you for considering my suggestions. I look forward to seeing our community flourish.

Sincerely,

[Your Name]
