Dear [Manager's Name],

I am writing to formally resign from my position at [Company's Name], effective [Last Working Day]. This decision has not come easily, but after much reflection, I feel it is necessary to move on.

Throughout my time here, I have come to realize that my personal beliefs and values do not align with the foundational principles that drive our organization. I find it increasingly difficult to support practices that I believe contradict the core values of integrity, collaboration, and respect that I hold dear.

While I appreciate the opportunities for professional growth I have received, I believe it is in both my best interest and the organization's for me to pursue a path that is more in harmony with my beliefs.

Thank you for the support and guidance during my tenure. I wish the team and the company continued success in the future.

Sincerely,

[Your Name]
