Dear [Manager's Name],

I am writing to formally resign from my position at [Company's Name], effective [Last Working Day]. This decision did not come lightly, but I feel it is necessary given my growing disappointment with the leadership decisions that have impacted our team's morale and productivity.

Over time, I have observed a number of choices made by the leadership team that I believe have not served our collective goals or values. This has created an environment that I find increasingly challenging and disheartening. Despite my efforts to communicate my concerns, I have not seen any meaningful changes made. As a result, I feel it is in my best interest to seek new opportunities where my values are aligned with the organization.

I appreciate the opportunities I have had during my tenure with [Company's Name] and wish my colleagues the best as they navigate the upcoming changes. I am hopeful that my departure will bring attention to the larger issues at play.

Thank you for the experiences I have gained while working here. I wish the company success in finding a new direction.

Sincerely,

[Your Name]
