Dear [Recipient's Name],

I am writing to formally express my concern regarding the performance issues I have been experiencing with [Application Name] since [insert timeframe]. Despite my expectations based on previous usage, the application has been consistently slow and unresponsive, which has severely impacted my productivity.

Details of the issues are as follows:

- Slow loading times for [specific feature or page]
- Frequent crashes or error messages
- Delayed response times when attempting to use [specific function]

I have attempted to resolve these issues by [mention any troubleshooting steps you have taken], but unfortunately, the problems persist. I believe that a thorough investigation into the application's performance and necessary optimizations are warranted.

I appreciate your attention to this matter and would greatly value your prompt response regarding potential solutions or timelines for fixing these performance issues.

Thank you for your cooperation.

Sincerely,
