**Subject: Appeal for Increased Vendor Support Services**

Dear [Vendor's Name],

I hope this message finds you well. I am writing to discuss our current vendor support services and explore the possibility of increasing the level of support provided to us.

As you are aware, our partnership has been beneficial for both parties, and we greatly appreciate the services you have provided so far. However, due to our recent growth and increased demand for our products, we have identified areas where enhanced vendor support would significantly improve our operational efficiency and customer satisfaction.

We believe that an augmentation in support services, such as [specific services needed, e.g., faster response times, additional training, etc.], would streamline our processes and better enable us to meet our customers' needs.

I would appreciate the opportunity to discuss this matter further and explore potential solutions. Please let me know a convenient time for you to have a conversation.

Thank you for your attention to this request. I look forward to your positive response.

Sincerely,

[Your Name]
