Dear [Supplier Contact Name],

We are writing to affirm our commitment to sustainable practices and to express our expectations regarding eco-friendly operations in our ongoing partnership. As a responsible company, we recognize the importance of sourcing products and services that not only meet our business standards but also adhere to environmentally conscious methods.

We would like to outline the following eco-friendly practices that we encourage you to adopt:

- Utilizing sustainable materials in your production processes.
- Minimizing waste and promoting recycling initiatives.
- Implementing energy-efficient practices in your facilities.
- Ensuring compliance with all environmental regulations and standards.
- Reducing carbon emissions and exploring renewable energy sources.

By aligning our operations with these eco-friendly practices, we not only enhance our brand's reputation but also contribute positively to our planet. We believe that together, we can make a significant impact.

We appreciate your cooperation and dedication to implementing these practices. Please feel free to reach out if you have any questions or need further clarification.

Thank you for your commitment to sustainability.

Sincerely,
