Dear [Supplier Name],

We are committed to ensuring that our supply chain adheres to our sustainable sourcing standards. As part of our ongoing efforts to promote environmental stewardship and ethical practices, we are reaching out to reaffirm our expectations regarding the sourcing of materials and production processes.

In aligning with our values, we expect you to:

- Source materials from certified suppliers who uphold strict environmental and ethical standards.
- Implement sustainable practices in your production processes to minimize waste and carbon footprint.
- Ensure fair labor practices are in place and adhere to all applicable labor laws.
- Provide transparency in your supply chain and be willing to participate in audits to verify compliance.

We appreciate your cooperation and commitment to sustainable practices. Please confirm your adherence to our sustainable sourcing standards by signing below.

Sincerely,
