Dear [Vendor Name],

As we approach the upcoming seasonal peak, we are eager to optimize our supply chain to meet the anticipated demand. In alignment with our mutual interests, we would like to propose a collaboration to enhance our demand forecasting and inventory planning.

We believe that your insights on product availability and market trends will significantly contribute to creating accurate estimates. By sharing our demand data and projections, we can work together to ensure that both parties are adequately prepared for the seasonal demand surge.

We propose to schedule a meeting at your earliest convenience to discuss this collaboration in further detail. Please let us know your available times over the next week, and we will do our best to accommodate.

Thank you for considering this opportunity for collaboration. We are looking forward to your positive response.

Sincerely,
