Dear [Supplier's Name],

I hope this letter finds you well. As we continually strive to strengthen our partnership, I would like to initiate a discussion regarding trade credit insurance options that can enhance our buying relationship.

I believe that implementing a trade credit insurance policy will provide both of our companies with greater security and confidence in our financial transactions. It can help mitigate the risks associated with customer defaults, which in turn would promote increased collaboration and sales volume.

I would appreciate the opportunity to discuss this matter further at your earliest convenience. Please let me know a suitable time for you, or feel free to propose an alternative approach.

Thank you for your attention to this important matter. I look forward to your response.

Sincerely,
