

Green Supplier Evaluation Criteria

Date: _____

To: [Supplier's Name]

Address: [Supplier's Address]

Introduction

As part of our commitment to sustainability and responsible sourcing, we evaluate potential suppliers based on their environmental performance. Please provide the following information to assess your alignment with our green procurement standards.

Evaluation Criteria

1. Environmental Policy:

Do you have a written environmental policy? Please provide details.

2. Waste Management:

What measures do you employ to minimize waste? Please describe your waste management practices.

3. Energy Use:

What strategies do you have in place to reduce energy consumption?

4. Water Conservation:

How do you manage and conserve water resources in your operations?

5. Compliance:

Are you compliant with local and international environmental regulations? Please provide documentation.

6. Certifications:

Do you hold any environmental certifications? If so, please list them.

Additional Information

Please include any other information or documentation that supports your commitment to sustainability.

Submission

Kindly submit your responses by **[Submission Deadline]** to **[Your Contact Information]**.

Thank you for your cooperation.

Sincerely,
