Visual Updates and Guidelines

Recent Updates

Dear Team,

We are excited to share the latest visual updates that align with our brand identity. Please review the following changes:

- New logo variations for versatile use.
- Updated color palette for improved aesthetic.
- Refined typography for better readability.

These enhancements are designed to maintain our brand's integrity and enhance recognition.

Next Steps

Please familiarize yourself with these updates, and ensure all future materials align with these guidelines.

Best,

The Brand Team
