

# Aligning Our Newsletter Voice and Visuals

Dear Team,

As we continue to develop our newsletter, it is essential that we maintain a cohesive voice and visual style that reflects our brand identity. Below are some guidelines to help us achieve this:

## Voice

- Be friendly and approachable.
- Use simple, clear language.
- Encourage engagement and interaction.

## Visuals

- Use the brand color palette consistently.
- Incorporate our logo on every page.
- Choose images that evoke positivity and community.

By aligning our voice and visuals, we can create a memorable experience for our readers. Let's collaborate to ensure our upcoming issues resonate with our audience.

Best regards,
