

# Newsletter: Navigating Ethical Dilemmas

Dear Readers,

As we continue to delve into the complex world of ethical decision-making, this edition of our newsletter focuses on navigating ethical dilemmas in various contexts.

## Understanding Ethical Dilemmas

Ethical dilemmas occur when there are conflicting moral principles at play. It is crucial to identify these principles before making a decision.

## Case Study: The Conflicted Employee

In this section, we will explore the case of an employee who faces a conflict between loyalty to a colleague and their responsibility to the company. How should they proceed?

## Guidelines for Navigating Dilemmas

- Identify the stakeholders involved.
- Assess the consequences of each potential action.
- Consult the ethical guidelines of your organization.
- Seek advice from trusted colleagues or mentors.

## Resources
