

Weekly Values-Driven Newsletter

Dear Team,

Welcome to our weekly newsletter where we focus on our core values and how they drive our success together. This week, we spotlight our value of **Integrity**.

Value of the Week: Integrity

Integrity means doing the right thing even when no one is watching. Here are some ways our team members have exemplified this value:

- **John Doe** stayed late to ensure a project was completed accurately and on time.
- **Jane Smith** spoke up during a meeting to address discrepancies in our process, advocating for transparency.

Engagement Opportunity

We encourage you to participate in our upcoming workshop: "Living Our Values". It will take place on **March 15th** at **10 AM**. Be inspired and learn how to integrate our core values into your daily work.
