Subject: Negotiation of Freelance Photography Contract

Dear [Client's Name],

I hope this message finds you well. I am writing to discuss the terms of the freelance photography contract we previously discussed on [insert date of discussion]. I appreciate the opportunity to work with you and am excited about the project.

After reviewing the proposed contract, I would like to address a few points for negotiation:

- **Payment Terms:** I propose a payment structure of [insert your terms] rather than [insert client's terms]. This will ensure timely compensation for the work provided.
- **Rights to Images:** I would like to clarify the usage rights for the photographs produced. I suggest [insert your terms regarding image usage].
- **Deadlines:** Could we discuss the timeline for deliverables? I would prefer [insert your preferred deadlines] to ensure quality work.

I believe that a mutually beneficial agreement can be reached and I am open to further discussion. Please let me know a suitable time for us to connect and talk through these items.

Thank you for your consideration. I look forward to your response.

Best regards,
