Subject: Withdrawal of Loan Application for Reconsideration of Terms

Dear [Lender's Name],

I hope this message finds you well. I am writing to formally withdraw my recent loan application submitted on [Insert Application Date], with the reference number [Insert Reference Number].

After reviewing the terms and conditions provided, I believe that certain aspects do not align with my current financial requirements and objectives. I would like to request a reconsideration of the terms offered, as I am still very much interested in obtaining a loan with your institution under more favorable conditions.

Please acknowledge the withdrawal of my loan application at your earliest convenience. I would appreciate any advice or alternative options you can provide as I seek to move forward.

Thank you for your understanding and assistance in this matter.

Sincerely,

[Your Name]
