Dear [Lender's Name],

I am writing to request a startup loan of [amount] to support my initiative, [Project Name], which focuses on producing sustainable products aimed at reducing environmental impact and promoting eco-friendly consumer choices.

At [Your Company Name], we are committed to sustainability and innovation. Our products are designed to not only meet consumer needs but also to protect and preserve our planet. With the requested funds, we plan to [briefly outline how the funds will be used, e.g., production, marketing, research, etc.].

The growing demand for sustainable products presents us with significant market opportunities. According to [reference credible data or studies], the market for sustainable goods is projected to [insert relevant market projection or statistic]. By securing this loan, we believe we can effectively capture a share of this rapidly growing market.

I would appreciate the opportunity to discuss this proposal further and explore potential collaboration. Thank you for considering our request. I look forward to your positive response.

Sincerely,
