Dear [Lender's Name],

I hope this message finds you well. I am writing to formally request a deferment for my loan, account number [Insert Account Number], due to unexpected unemployment.

Unfortunately, I was recently laid off from my job at [Company Name] on [Date of Unemployment]. Despite my efforts to secure new employment, I have faced challenges in finding a suitable position. This financial strain has made it difficult for me to meet my loan obligations.

I respectfully request that you consider this request for a loan deferment of [Specify Duration] starting from [Proposed Start Date]. I believe this will provide me with the necessary time to regain employment and stabilize my financial situation.

Thank you for your understanding and consideration. I look forward to your positive response.

Sincerely,

[Your Name]
