Dear [Lender's Name],

Subject: Proposal for Seasonal Income Loan

I hope this letter finds you well. My name is [Your Name], and I am an agricultural worker involved in [brief description of your agricultural activity]. I am writing to propose a seasonal income loan to support my upcoming farming season.

The funds obtained from this loan will be utilized for [briefly list what the funds will be used for, e.g., seeds, fertilizers, equipment]. Given the cyclical nature of agricultural income, I am seeking a loan of [amount] to bridge the gap until harvest, which is expected in [insert harvest month].

Based on my previous harvest yields and market analyses, I project a [percentage]% increase in production this year, which will enable me to repay the loan promptly by [insert repayment date]. I have attached my income statements from previous years, along with a detailed plan for this season's budget and expected outcomes.

I am aware of the risks involved in agricultural investments and have taken steps to mitigate these risks by [mention any insurance, diversified planting, etc.]. I am committed to ensuring that the loan is repaid within the agreed timeframe.

I would greatly appreciate the opportunity to discuss this proposal further. Thank you for considering my request, and I look forward to your positive response.

Sincerely,
