Subject: Application for Rental - Pest Control Solutions

Dear [Landlord's Name],

I am writing to formally apply for the rental property located at [Property Address]. As an environmentally-conscious tenant, I am particularly concerned about maintaining a pest-free living environment.

I would like to inquire about the pest control measures implemented at the property. Specifically, I am interested in:

- Current pest control providers and their qualifications
- Frequency of pest control inspections and treatments
- Methods used for pest prevention and elimination
- Any history of pest infestations in the property

It is my sincere hope that the property is maintained with proactive pest management strategies to ensure the safety and comfort of its tenants. I value a harmonious living environment and believe that effective pest control is a key aspect of this.

I appreciate your time and consideration regarding my inquiry. I look forward to your prompt response so that I can proceed with my application.

Thank you.

Sincerely,
