To Whom It May Concern,

I am writing to formally submit my application for the rental property located at [Property Address]. I am very interested in this rental and believe it would be a great fit for my needs.

Before proceeding with the application, I would like to address a critical concern regarding pest control in the property. It is essential for me to ensure that the living environment is free from pests such as rodents and insects. I kindly request information on the current pest control measures in place and any future treatments that may be scheduled.

Understanding the pest control history and procedures will greatly influence my decision. I appreciate your attention to this matter and look forward to your prompt response.

Thank you for considering my application.

Sincerely,

[Your Name]
