Dear [Landlord/Property Manager's Name],

I hope this message finds you well. I am writing to formally request pest control assistance in my rental unit located at [Your Apartment/Unit Number].

Recently, I have noticed [describe the pest issue briefly, e.g., "an increase in roach sightings" or "a mouse problem"]. This has caused me considerable concern and I believe it poses a health risk.

As per my lease agreement, I understand that it is the landlord's responsibility to ensure the property is maintained in a habitable condition. I would greatly appreciate it if arrangements could be made for a professional pest control service to address this issue at your earliest convenience.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
[Your Name]
