Dear [Landlord/Property Manager Name],

I hope this message finds you well. I am writing to formally request consideration for enhanced security features as part of my rental application for [Property Address]. Ensuring a safe living environment is paramount, and I believe that implementing the following amenities would greatly enhance the security of the property:

- Installation of CCTV cameras at key entry points.
- Upgraded locking mechanisms on all doors and windows.
- Improved exterior lighting around the premises.
- Access control systems for all common areas.
- The installation of a security alarm system.

I appreciate your attention to this matter and look forward to your positive response regarding the implementation of these security improvements.

Thank you for considering my request.

Sincerely,
