[Phone Number]

Dear [Landlord's Name],

I hope this message finds you well. I am writing to request an upgrade to the internet services provided in my rental unit located at [Your Rental Address].

As a current tenant who relies heavily on internet connectivity for both professional and personal use, I have encountered limitations with the current internet speed and reliability. An upgraded internet service would greatly enhance my living experience and productivity.

I kindly ask that you consider improving the internet amenities available. Services with higher bandwidth and faster speeds would be greatly beneficial not only to me but could also increase the appeal of the property to potential future tenants.

Thank you for considering my request. I look forward to your positive response.

Sincerely,

[Your Name]
