Dear [Landlord/Property Manager Name],

I hope this letter finds you well. I am writing to formally apply for the rental unit located at [Property Address]. As part of my application, I would like to address the compliance of the security alarm system installed in the property.

As per the local regulations and safety standards, I understand the importance of having a fully operational and code-compliant security alarm system. I would like to confirm that the alarm system is regularly tested and maintained to ensure it meets all necessary safety codes.

If the security alarm system has been inspected recently, could you please provide the documentation or report indicating its compliance status? Additionally, I would appreciate information on any specific procedures and contact details for maintenance in case of any issues with the system once I move in.

Thank you for considering my application. I look forward to your prompt response regarding the alarm system compliance. Please feel free to contact me at [Your Phone Number] or [Your Email Address] if you need any further information.

Sincerely,
