Subject: Request for Security Alarm Code

Dear [Landlord/Property Manager's Name],

I hope this message finds you well. I am writing to formally request the security alarm code for access to the property located at [Property Address], as part of my rental application process.

As I plan to visit the property for inspection and necessary arrangements, having access to the security system is essential. I assure you that I will handle it responsibly.

Thank you for your assistance. Should you need any further information from my end, please feel free to contact me at your earliest convenience.

Sincerely,

[Your Name]
