Dear [Landlord's Name],

I hope this message finds you well. I am writing to formally request the installation of an air conditioning unit in my rental property located at [Rental Property Address]. As we approach the warmer months, I believe that having air conditioning would greatly improve the living conditions and comfort of the space.

Having an air conditioning unit will not only enhance my quality of life but will also potentially increase the property value. I am willing to discuss any considerations regarding the installation process, including covering any costs if necessary.

Please let me know a convenient time for us to discuss this further. Thank you for your attention to this matter.

Best regards,
