Dear [Landlord/Property Manager's Name],

I hope this message finds you well. I am writing to formally request a carpet cleaning service for the unit I am applying to rent at [Property Address]. As part of my rental application, I believe it is necessary to ensure that the carpets are thoroughly cleaned prior to my move-in date. This will not only enhance the living environment but also align with standard practices for maintaining rental properties.

I would appreciate it if you could facilitate this service at your earliest convenience. Please let me know if there are specific service providers you recommend or if there are any associated costs that I should be aware of.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
