

Guidelines for Holiday Decorations

Dear Residents,

As the holiday season approaches, we want to remind you of the guidelines for decorating your rental property. Please adhere to the following rules to ensure a safe and enjoyable environment for everyone:

- **Safety First:** Use decorations that are fire-resistant and avoid overloading electrical outlets.
- **Exterior Decorations:** Decorations must be securely fastened and should not obstruct pathways or common areas.
- **Inside the Property:** Please keep decorations within your designated living space and refrain from using nails or screws to hang items.
- **Temporary Installations:** All decorations must be easily removable. No permanent fixtures are allowed.
- **Noise Consideration:** Please be mindful of noise levels when playing music or hosting gatherings.

We appreciate your cooperation and wish you a joyous holiday season!

Sincerely,
[Your Property Management Team]
