

Holiday Ornamentation Standards

Date: [Insert Date]

Dear [Renter's Name],

We hope this message finds you well. As the holiday season approaches, we would like to remind you of our community's ornamentation standards to ensure a festive and safe environment for all residents.

Guidelines for Holiday Decorations:

- All decorations must be non-flammable and safe for indoor use.
- Exterior decorations should be anchored securely and cannot obstruct pathways or common areas.
- Lighting should be rated for outdoor use if placed outside, and must be turned off by 10 PM each night.
- Live trees must have a water source and appropriate measures must be taken to reduce fire hazards.
- Tenants should refrain from using nails or staples to hang decorations on walls or doors to prevent damage.

Please be considerate of your neighbors and ensure that your decorations reflect the spirit of the season while adhering to these guidelines. If you have any questions or concerns, feel free to reach out.

Wishing you a joyous holiday season!

Sincerely,
