Dear [Landlord's Name],

I am writing to formally request permission to set up high-speed internet in my rental unit located at [Your Rental Address]. As a tenant, reliable internet access is crucial for my work and daily activities.

I have researched available internet service providers in our area and would like to proceed with [Provider Name]. They have assured me that installation will be completed with minimal disruption to the property.

Please let me know if there are any forms or additional information required to move forward. Thank you for considering my request.

Sincerely,
