Dear [Cable Provider Name] Customer Service,

I am writing to inquire about the availability of cable service at my residence located at [Your Address]. I am in the process of moving in and would like to obtain information regarding your service options, packages, and pricing.

Additionally, I would like to know if there are any installation fees, contracts, and promotional offers available for new customers. It would be helpful if you could provide me with details on the channels offered, internet speed options, and any bundling opportunities.

Please let me know what documentation or information you require from my side to process this application.

Thank you for your assistance. I look forward to your prompt response.

Sincerely,
