To Whom It May Concern,

I am writing to inquire about tenant counseling options available for individuals navigating the rental application process. As I am currently seeking housing, I believe that professional guidance could be extremely beneficial in understanding my rights and improving my rental application.

Could you please provide information regarding available counseling services, including any workshops, one-on-one guidance, or resources that can assist potential tenants?

Thank you for your assistance in this matter. I look forward to your prompt response.

Sincerely,
