Dear [Housing Management/Property Manager Name],

I hope this message finds you well. I am writing to request the provision of bike storage for residents of [Corporate Housing Name]. As an enthusiastic cyclist, I believe that having designated storage would greatly benefit those of us who wish to securely store our bicycles.

Many residents prefer cycling as a means of transportation for both environmental and health reasons. However, the lack of proper storage can lead to concerns regarding theft and damage. A secure bike storage area would encourage more residents to use their bikes, contributing to a healthier community.

If possible, I would appreciate any information on the feasibility of creating such a storage space, including potential locations and any associated costs. Thank you very much for your attention to this matter.

Sincerely,
