Dear [Management/Community Association],

I hope this message finds you well. I am writing to request the provision of bike storage facilities within our townhouse community. As a resident of [Your Townhouse Address], I have noticed the increasing number of bicycles in our neighborhood and believe that designated storage would be beneficial for all residents.

Providing a secure and organized bike storage area would not only enhance the aesthetics of our community but also promote environmentally friendly transportation options among residents. I kindly ask the management to consider reviewing this suggestion.

Thank you for your attention to this matter. I look forward to your positive response.

Sincerely,

[Your Name]
