Dear [Supplier Contact Name],

We are writing to formally communicate our commitment to environmental sustainability and our expectation that our suppliers adhere to similar green policies. As part of our corporate responsibility, we prioritize working with suppliers who demonstrate a commitment to reducing their environmental impact.

We would like to request that you provide us with your current green policy and any measures you have implemented to ensure compliance with environmentally friendly practices. This information will help us evaluate our partnership's alignment with our sustainability goals.

Additionally, we would appreciate your actions towards:

- Reducing waste and promoting recycling
- Using sustainable materials
- Implementing energy-efficient practices
- Complying with local and international environmental regulations

We value your cooperation in these efforts and look forward to receiving your response by [Insert Response Deadline]. Thank you for your dedication to sustainability.

Sincerely,
