Dear [Recipient Name],

I hope this message finds you well. I am reaching out to propose a collaboration between [Your Company] and [Recipient Company] for the co-development of comprehensive cyber security frameworks tailored for vendor management. In today's rapidly evolving cyber threat landscape, we believe that enhancing vendor cyber security is critical for protecting sensitive data and ensuring business continuity.

Our proposed partnership aims to leverage our combined expertise in cyber security and vendor management to create frameworks that are not only robust but also compliant with industry standards.

Objectives

- To assess and identify existing vendor risks.
- To develop a dynamic cyber security framework that adapts to evolving threats.
- To share best practices and implement training programs for vendors.

Proposed Timeline

The project is envisioned to unfold over [number of months], with key milestones discussed in subsequent meetings.

Next Steps

We would like to schedule a meeting at your earliest convenience to discuss this proposal further and explore potential synergies.

Thank you for considering this opportunity. I look forward to your positive response.

Sincerely,
